

School-Parent Compact
Sugar Hill Academy of Talent and Career
Revised June 10, 2025

Dear Parent/Guardian,

Sugar Hill Academy students participating in the Title I, Part A program, and their families, agree that this compact outlines how the parents, the entire school staff, and the students will share the responsibility for improved student academic achievement as well as describes how school and parents will build and develop a partnership that will help children achieve the State's high standards.

Jointly Developed

The parents, students, and staff of Sugar Hill partnered together to develop this school-parent compact for achievement. Parents are encouraged to attend annual revision meetings held during the Spring each year to review the compact and make suggestions based on student needs and school improvement goals. Parents are encouraged to participate in the annual Title I parent survey that is also used as a tool to collect parent feedback regarding the current Title I programs and policies. Please call or email us if you need assistance with childcare or transportation in order to participate in our programs.

To understand how working together can benefit your child, it is first important to understand our district's and school's goals for student academic achievement.

Hall County School System Goals:

FY26 Goal 1: By the end of FY26, the percentage of all students moving into the "Proficient and Distinguished" (combined) levels of performance on the Georgia Milestones Assessments will increase by 2%.

FY26 Goal 2: By the end of FY26, increase the percentage of referred students who access school based mental health services in order to increase the overall school climate rating for HCSD by 1% (from 86.74 to 87.74).

Sugar Hill Academy Goals:

- The literacy goal of SHES for 2025-2026 school year is that 50% of our students will meet or exceed in MAP growth data and our achievement percentile will increase 3% from Fall to Spring on NWEA MAP data.
- The math goal of SHES for 2025-2026 school year is that 50% of our students will meet or exceed in MAP growth data and our achievement percentile will increase 3% from Fall to Spring on NWEA MAP data.

School Responsibilities:
